

My Guideline for Communicating and Cooperating in Groups

1. For this assignment, you will need to create a personal guideline for communicating and cooperating in groups.
2. Guidelines are personal. Please take the time to consider what is important to you.
3. Use the soccer ball brainstorm for ideas about what to put in your guideline.

In your guideline you ***must*** use the following format:

I _____ promise to communicate and cooperate with my fellow classmates during group work activities.

- I believe cooperation is important because...
 - When I want to share my ideas with a group I will...
 - When I am listening to my group members I will...
 - When I disagree with my group members I will...
